I will inquire. Obviously, I am not the one to respond to labor law issues. I do not know how long it will take Mr. Jannings counsel to address it, since I assume he thought we were on an Abstention Request / Abstention Motion path.

Best regards,

I can ask, but I doubt I'll get you an answer before sometime Monday at the earliest. How much time do you need? If we're talking an extra day or so, I can ask that we give that as a courtesy, assuming our reply date gets a corresponding extension. If you're asking to move the hearing date, I'm not sure I'll get authority to do that.

Thanks,
Jane

Please ask PG&E if it would be willing to provide some additional time so that Mr. Jannings can respond to the Objection.
